Some People Really Love Honey

Mr. R. G. Maxwell of Pamplin has received a letter dated June 15, 1972, from a man who bought honey here approximately 30 years ago and was quite anxious to buy more. Mr. Maxwell received the following letter addresses to Maxwell Brothers, Pamplin, Virginia:

To Whom It May Concern:

Years ago a Mr. Maxwell used to come to our home selling honey. It was the best honey I have ever eaten - now that honey seems to be so scarce I guess I'm only on a wild goose chase, however, I am going to try. I am wondering if there is such a thing as Maxwell Brothers who sell honey. If I could locate some I'd be willing to travel all the way to get some.

If this letter doesn't go to dead letter end, please advise me. My address is R. V. Burfoot, 316 Briarfield Drive, Chesapeake, Virginia 23320. Phone 547-3455.

Well, the letter got to the Maxwells with no trouble and we are assuming that Mr. Burfoot will get the "honey".

Director Addresses Health Council

At the regular monthly meeting of the Central Virginia Health Planning Council, Mr. F. John Kelly Executive Director of the Governor's Council on Narcotics and Drug Abuse Control, reviewed with members of the Council the current State program.

The original Council -- the Council on Narcotics and Drug Abuse Control -- will be replaced by the Virginia Drug Abuse Control Council July 1, 1972. This action was approved during the past session of the Virginia State Legislature.

Mr. Kelly reviewed in detail the activities of the Governor's Council since its beginning 23 months ago. He emphasized the following:

1. Beginning July 1, 1972 the Virginia Drug Abuse Control Council will have review and comment responsibility on the development of all drug programs within the Commonwealth. No monies will be spent in the development of programs prior to being reviewed by the Governor's Council.

2. In 1969 the State provided approximately 60 beds for drug addicts. Today there are approximately 1,200 beds for narcotic patients.

3. Since the development of the Governor's Council of Narcotics and Drugs, the State of Virginia has recieved $7 million in Federal funds to develop and expand an effective drug abuse control program throughout the State.

4. Education at all levels of society is the foundation for any successful program. In 1971 38,000 public school teachers in kindergarten through 12th grade recieved work kits prepared by the Governor's Council on Narcotics and Drug Abuse. The information covers drug education, health education, mental health education, and teaching education.

5. In 1973 special programs will be conducted with every Judge of Record throughout the State involving in-depth training over a three-day period. Similar programs are scheduled for law inforcement officers and probationary officers.

6. The State of Virginia is currently considering legislation which will provent false

Health Council

radio and TV advertising involving legalized drugs, medication, etc.

6. The Governor's Council has eliminated a number of "counterproductive" films used in the public school system.

8. There is a current proposal to develop a drug institute in the State which would serve as the focal point for a total drug effort. Mr. Kelly's visit was another in the continuing education series conducted by the Central Virginia Health Planning Council to keep its membership informed on current health and health-related program in the Commonwealth. Representatives from area wide agencies directly involved in phases of the drug program participated in the meeting.

The Central Virginia Health Planning Council provides a forum for area wide agencies — such as Lynchburg Area Chapter, Virginia Association for Mental Health, Community Mental Health and Mental Retardation Services Board of Central Virginia, HELP, Lynchburg Drug Abuse Task Force, Lynchburg Community Action Group, Lynchburg Guidance Center, Family Service of Central Virginia, Public Health Department, and citizen's groups - all interested and involved in various activities relating to the drug problem.

OEP Adds Phone Service At One-Stop Centers

The phone numbers of the nine one-stop disaster assistance centers were released today by the President's Office of Emergency Preparedness so that Virginia flood victims in outlying areas can get information more easily.

While the purpose of the one-stops is to allow individuals to community," said Alfred Hahn, make all their inquiries and applications in a single, personal visit, OEP recognizes that some people may have to travel long distances.

"The devastation caused by the flood was extremely widespread, so we couldn't possibly have one-stop centers in every OEP's federal coordinating officer for the Virginia disaster.

"But now, by phoning the nearest center, a person can at least get information without driving 50 or even 100 miles. Applications for assistance must still be filed by visiting the centers, of course."

SEVENTH-DAY ADVENTIST

Subject: 7th Day Sabbath, A Link of Love.
Scripture Text: "He that hath my commandments, and keepeth them, he it is that loveth me: and he shall be loved of my Father." John 14:21.

The Father, the Son and the Holy Spirit have found Themselves to humanity — with an everlasting love, Jer. 31:3, John 3:16. When a soul responds to this love in obedience to God, it makes love a link uniting him with God. "Christ's seventh-day Sabbath is a symbol of His love as our Creator, Savior. Thus, true Sabbath keeping is a link of love, binding the believer to his Lord. It bestows the joys and delights of divine love, but trying to keep the Sabbath without the love of Christ in your hearts is drudgery, restriction and a burden."

Lesson Outline - Part 1: Sealed by the Cross, Rom. 5:8, God commendeth his love toward us in that while we were yet sinners, Christ died for us." Read John 15:10.

Part 2: Love Spells Obedience, I John 5:3. "For this is the love of God that we keep his commandments: and his commandments are not grievous." Read John 14:24.

Part 3: An Example of Love, 1 Peter 2:21. "For even hereunto were ye called: because Christ also suffered for us, leaving us an example, that ye should follow in his steps.

Part 4: For Our Good, Deut. 6:24. "And the Lord Commanded us to do all these statues to fear the Lord our God, for our good always. How are we blessed both spiritually and physically by keeping the Sabbath? Read Isa. 56, whole chapter.

Part 5: The Right Motivation. Ps. 40:8 "I delight to do thy will, O my God: yea thy law is within my heart."

Part 6: Day of Delight, Isa. 58:13,14. "If thou turn away thy foot from the Sabbath, from doing thy pleasure on my holy day; and call the Sabbath a delight, the holy of thou delight thyself in the Lord."

The Sabbath is not merely a day of physical rest. Any day would do for that. It is not exclusively a day for spiritual renewal. It is both of these and more. It is a sign of allegiance to Christ as our creator and Saviour. The seventh-day Sabbath has lost none of Scriptural significance as a memorial of Christ's creative and saving power. Every soul who recieves Christ as his personal Saviour needs to keep His Sabbath as a sign of his acceptance of Christ as both his Creator and Saviour. Think it through -- Is Sabbath observance truly a delight to me? If it was essential before man sinned, is it not more so in this present world of sin?

Worship Service 11:15 a.m.
